

Baypark Speedway Drivers – Fan-Compiled Historical List

This list includes drivers who have registered to Baypark Speedway and run the 'M' on their car over the 54-year history of the venue. It also features 1NZ, 2NZ, and 3NZ national titleholders who achieved those titles while being registered to Baypark.

 This list has been proudly compiled by the fans, not the promotion team. Every entry was shared by supporters who helped bring this collection together. The goal was to spark memories, celebrate the past, and acknowledge the rich history of Baypark Speedway and its competitors.
